28th Annual ART & SCIENCE of Health Promotion Conference 2018

MICHAEL P. O'DONNELL

I am delighted to invite you to participate in the **28th Annual Art & Science of Health Promotion Conference** in San Diego, CA. For 28 years we have been uniquely positioned to bring together program managers, business owners, brokers, benefits managers and human resource leaders from workplace, clinical, insurance, community and academic settings in one forum to learn and share experiences.

As a provider of products and services that support health promotion, you can be confident that you will be among professionals who are engaged and interested in learning more about your organization.

Our executive networking exhibit format brings you directly into the programming area of the conference allowing access to attendees throughout the conference. Plus, **as an exhibitor, you are a full conference registrant** and are encouraged to attend all conference sessions and activities.

You are a valued partner in presenting this conference. Join us — we look forward to seeing you in San Diego.

MICHAEL P. O'DONNELL, PhD, MPH, MBA

*Program Chair
Art and Science of Health Promotion Conference
CEO, Art & Science of Health Promotion Institute*
